Background: The Library manages several perpetual agreements for ongoing online cataloging, content enhancement, maintenance and support for automated circulation system, and internet access. The Department is bringing this matter before your Board per BOS Policy C-17 Section 4.5 which states that "Departments must obtain authorization from the Board of Supervisors, initially, and on an annual basis, to utilize any contract that does not have a stated term." The agreements are listed on Attachment "A".

Continuation of the agreements is critical to the operation of the Library.
