Fiscal Impact/Change to Net County Cost:

No change. Federal funds payable by the State to County of El Dorado for DOE Weatherization Assistance Program services are included in the Department's FY 2011-12 Recommended Budget.

Background:

On June 22, 2010 the Board adopted Resolution No. 077-2010 authorizing the execution of Agreement 09C-1758 with the California Department of Community Services and Development (CSD) in the amount of \$113,364 during the term June 30, 2010 through June 30, 2011 for provision of DOE Weatherization Assistance Program services to eligible residents of El Dorado and Alpine counties. On February 8, 2011 the Board adopted Resolution No. 022-2011 authorizing the execution of Amendment 1 to Agreement 09C-1758, increasing the agreement amount by \$39,987, from \$113,364 to \$153,351. Resolution No. 022-2011 further authorized the Department Director, or successor, to sign one or more amendments, contingent upon approval by County Counsel and Risk Management, that do not alter the dollar amount or the term. Amendment 2 to Agreement 09C-1758 made changes to Exhibit B with no change to the total amount or term and was executed on May 3, 2011 by the Director of Department of Human Services as authorized by Resolution No. 022-2011.

Reason for Recommendation:

Amendment 3 to Agreement 09C-1758 extends the agreement term through June 30, 2012 to allow for full expenditure of the 2010 funding. This federal funding augments other grant funding received for provision of Weatherization services to eligible El Dorado and Alpine County residents, providing long-range utility cost savings and energy conservation.
