Report Suspicious

Dear Coloma Lotus Advisory Committee and Ad Hoc Committee,

Please help me understand the Ad Hoc Committee roles and functions along with where it meets and how decisions are made.

I gather the Coloma Lotus Advisory Committee will hear a report from the Ad Hoc Committee on Tuesday, April 2. When did the Ad Hoc Committee meet and are their deliberations available online? No documents are shown to be associated with the agenda item for the River Management Plan discussion and/or report.

I had sent some comments for the CLAC through the Board of Supervisors Clerk at <edc.cob@edcgov.us> but haven't seen any postings yet. Is there a separate process for public notifications and participation for the CLAC and Ad Hoc Committee?

Thank you.

Emmett
