Review Flags

Review and Submit Status (Flags generated and reviewed)

Severity	Status	Source	Type	Description
Correction Required	Closed	Quarterly Report	Submitted Quarterly Report without entering any data	You have tried to submit a quarterly report without entering any data. Please enter all data or set the status of your quarterly report to exempt if you do not meet the threshold limit for reporting for the quarter.
Correction Required	Closed	Inflows	Methods used to determine tons accepted from other facilities or direct haul and reasons for changing default inflow tons questions not completed.	The 'Methods used to determine tons accepted at the facility' section in the Inflows tab has not been completed. Please check one or more methods used to determine tons accepted at your facility to close this flag. Also if you have modified any of the default tonnages in the 'Materials accepted at your facility from transfer/processors (that reported in RDRS)' table please check the reasons why.
Correction Required	Closed	Organics Measurement	Organics Measurement tab was not completed.	As part of the requirements for SB 1383 reporting (CCR 9.25, 18815.7(f)), reporting entities that report for a dependent composting and/or in-vessel digestion operation must complete the Organics Measurement tab. This flag triggered because one or more of the following requirements has not been completed on the tab: • You did not answer the Y/N question for organics reporting. To close this flag, please answer the Y/N question. If you select Y for the question, then complete the required percent field for that question.
