**Re: 2027 Active Transportation Program (Cycle 8) Grant Application for El Dorado County's
Diamond Springs Pedestrian Facility Improvements Project**

Dear Grant Reviewer:

The Diamond Springs and El Dorado Community Advisory Committee supports the El Dorado County Department of Transportation's 2027 Active Transportation Program (ATP) Cycle 8 grant application to construct the Diamond Springs Pedestrian Facility Improvements Project (Project).

The purpose of the Project is to provide continuous bicycle and pedestrian facilities, including sidewalk infill and Americans with Disabilities Act (ADA) compliant curb ramps, along key corridors in the community of Diamond Springs.

The Project supports [the vision, mission or goals of our organization by]

The Project improvements will close gaps in the pedestrian network and enhance multimodal access throughout the community. The Project provides critical connectivity to essential destinations such as the Diamond Springs Post Office, transit stops, local businesses, a County Health Center, schools, retail, and restaurants.

The Diamond Springs and El Dorado Community Advisory Committee strongly supports this application for 2027 ATP (Cycle 8) funding and hope that you will give it the utmost consideration.

Sincerely,

Carl Hillendahl
Chair of the Diamond Springs and El Dorado Community Advisory Committee
