**SWMP ITEMS**

**Strategy 1.4 – Expand Mandatory Residential Collection Ordinance**

El Dorado County is working to define CalRecycle’s collection requirements for SB 1383, which includes offering service to all areas in the jurisdiction. This can be interpreted as mandatory service.

**Strategy 2.1 – Implement New Waste Reduction Actions**

El Dorado County is evaluating new strategies for waste reduction, including educational campaigns, ordinance revisions, and other programs

**Strategy 2.6 – Expand Use of Curbside Recycling Programs (Targeted to Selected Areas)**

SB 1383 implementation

**Strategy 2.7 – Expand Residential Cart Collection Systems (Targeted to Selected Areas)**

SB 1383 implementation

**Strategy 2.9 – Expand Diversion Programs at Public Facilities**

County recycling program outline

**Strategy 2.10 – Expand Multi-Family Recycling Program**

SB 1383 implementation

**Strategy 2.11 – Expand Types of Recyclables Collected Curbside**

SB 1383 implementation (food waste)

**Strategy 2.12 – Develop Commercial Food Waste Collection Program**

SB 1383 implementation (food waste)

**Strategy 2.17 – Advance Outreach and Education Programs**

Currently using Ross-Campbell for education outreach

**Strategy 4.5 – Create New Funding Sources and Rate Mitigation Strategies**

Revising ordinance for revenue recovery

**Strategy 5.1 – Identify Appropriate Performance Metric for Each Selected Strategy**

Providing a new staff report format and information
