Review Flags

Review and Submit Status (Flags generated and reviewed)

Severity	Status	Source	Type	Description
Informational	N/A	Outflows	Tons of total material sent out for disposal different than prior years same quarter by significant amount (exceeds threshold).	The total tons of MSW sent to disposal facilities and/or other transfer/processors in 2025 Q2 by your facility was significantly different (50% or more) than the amount sent out in the prior year same quarter. This flag appears to notify you of significant change in outflow and help you determine if there are any data entry errors or issues in reporting accuracy in your report.
