

EL DORADO SOLID WASTE ADVISORY COMMITTEE

Goal language adopted January 12, 2026

The El Dorado Solid Waste Advisory Committee (EDSWAC) Goals for 2026 are:

To reduce El Dorado County's reported pounds per person per day (ppd) in all jurisdictions by:

- 1) Supporting the implementation of organics recycling
- 2) Continuing to support established programs like C&D, inert, and HHW recycling
- 3) Targeting public education on the 4Rs (reduce, reuse, recycle and recover)

To follow up on the 2025 Solid Waste Management Plant (SWMP) review by developing a focused evaluation and monitoring plan.
