    i) No updates

SWMP ITEMS

Strategy 1.4 – Expand Mandatory Residential Collection Ordinance
El Dorado County is working to define CalRecycle's collection requirements for SB 1383, which includes offering service to all areas in the jurisdiction. This can be interpreted as mandatory service.
Strategy 2.1 – Implement New Waste Reduction Actions
El Dorado County is evaluating new strategies for waste reduction, including educational campaigns, ordinance revisions, and other programs
Strategy 2.6 – Expand Use of Curbside Recycling Programs (Targeted to Selected Areas)
SB 1383 implementation
Strategy 2.7 – Expand Residential Cart Collection Systems (Targeted to Selected Areas)
SB 1383 implementation
Strategy 2.9 – Expand Diversion Programs at Public Facilities
County recycling program outline
Strategy 2.10 – Expand Multi-Family Recycling Program
SB 1383 implementation
Strategy 2.11 – Expand Types of Recyclables Collected Curbside
SB 1383 implementation (food waste)
Strategy 2.12 – Develop Commercial Food Waste Collection Program
SB 1383 implementation (food waste)
Strategy 2.17 – Advance Outreach and Education Programs
Currently using Ross-Campbell for education outreach
Strategy 4.5 – Create New Funding Sources and Rate Mitigation Strategies
Revising ordinance for revenue recovery
Strategy 5.1 – Identify Appropriate Performance Metric for Each Selected Strategy
Providing a new staff report format and information
